**ALL CHILDREN LOVE**

'SYRUP OF FIGS' FOR

LIVER AND BOWELS

Give It When Feverish, Cross

Billious, for Bad Breath

or Sour Stomach

Look at the tongue, Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently move out of its little bowels without griping, and you have a well, playful child again.

You needn't coax sick children to take this harmless "fruit laxative"; they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits, sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Co." Refuse any other kind with contempt.

DENIES STAFF SOUGHT PEACE

Hertling's Son Insists German High

Command Did Not Weaken.

A son of the late Count George F.

Hertling, former imperial chan-

cellor of Germany, has published a de-

fense of the allegation that the Ger-

man imperial government was twice

requested by the supreme command

of the army to conclude peace while

his father was holding office. He

avers that he is conversant with all

that took place at that time between

the supreme military command and

the government, and says that it is

untrue that, either in May or August,

1918, did the general staff ask, or even

hint that peace was desired, or inti-

mated that it was willing to renounce

any of Germany's war aims in any

way.
